

Sustainable tourism in Franche-Comté

Franche-Comté, about the nature, in the nature, with the nature and FOR the nature!

Respect the environment

Franche-Comté offers enjoyable holidays in full harmony with the environment.

Whether hiking on foot, by bike or on horseback, going fishing or swimming, this region offers many possibilities of leisure that do not harm the environment. Just as well, the region offers many accommodation facilities and restaurants that consider the aspects of sustainability.

Whether relaxing or active holidays, Franche-Comté offers sustainability for everyone

EDITORIAL

More and more, tourists care for the environment. Therefore, sustainability is the future of tourism. Accordingly, Franche-Comté made arrangements long ago and has a lot to offer in sustainable tourism.

CABANES DES GRANDS LACS

Spending your holidays in the Cabanes des grands lacs means sleeping in a tree-house

some 5 to 12 meters above ground in the heart of 150 hectares of one hundred years old oak trees or in the middle of a lake.

BIOLOGICAL SWIMMING-POOL

at Château de Germigney
A completely natural swimming-pool in the «Relais

et Château» invites discerning guests for a bath in its pure and clear water.

+ [Further information](#)

COSMETICS, BASED ON THE MILK OF DONKEYS - LA CHARRETTE BLEUE

La Charrette Bleue is a renowned organic donkey farm in the Jura, where a workshop for the

processing of soaps, full of scents and characteristics can be found.

+ [Further information](#)

MAISON DE LA RESERVE

lac de Remoray

Being an organic building down to its conception, the centre of the reserve

offers a real conservatory of plants and animal species that develops its symbiosis calmly.
